Golden State Natural Resources (GSNR) is a forest resiliency company with a mission to enhance the quality of life, public safety, economic development, and the environment in California — creating fire resilient landscapes and fire adaptive communities.

**Friday, January 26, 8:00 AM**  
**Big Valley Market**  
**201 Bridge St., Bieber, CA**

## **We want to hear from you!**

Join GSNR representatives at Big Valley Market on January 26th at 8am, to discuss efforts underway to locate a pellet processing facility in Lassen County, as part of GSNR's proposed forest and wildfire resilience project. Speak with GSNR about the proposed project and provide your input.
