GOLDEN STATE
NATURAL RESOURCES

Golden State Natural Resources (GSNR) invites the Stockton community to attend our public workshops to learn about GSNR's proposed forest and wildfire resiliency project that would deliver wood pellets to the Port of Stockton and then export them internationally.

PUBLIC WORKSHOPS

INFORMATIONAL SESSION

Saturday, March 23, 9:00 AM - 1:00 PM

This workshop is designed as a drop-in informational session where community members can informally speak with project staff and learn about different aspects of the project. **Food will be provided.**

LISTEN & SHARE SESSION

Wednesday March 27, 6:00 PM - 8:00 PM

Still have questions? This second workshop provides an opportunity for continued dialogue about the project.

LOCATION

Robert J. Cabral Agricultural Center
2101 E. Earhart Ave, Stockton, CA 95206
